Chapter 1: Vouchers

A voucher is a claim for reimbursement of actual expenses you* incurred and payment of allowances you earned while you were TDY. By design, information from the approved authorization (cost estimates and assumptions) carries over into the voucher at **CREATED**. Since the voucher must *always* reflect accurate cost and trip information, you must update the voucher from estimated charges to actuals based upon the mission. In other words, your primary responsibility on a voucher is to make *changes* to it, add the required receipts (i.e., all lodging and any expense of \$75.00 or more), and attach supporting documentation (if applicable – e.g., CTW, leave form). This guide focuses on how to make those changes.

Note: DoD policy mandates travel voucher submission within five working days of returning from TDY.

Travel documents are subject to internal (per local business rules) and external (e.g., Defense Finance and Accounting Service [DFAS]) audits which help identify improper payments, recognize trends, implement corrective measures to appropriately recover funds, and improve travel compliance. If you are uncertain if an expense is allowable then review the [JTR](#), contact your Lead DTA or supervisor before submitting the voucher for approval and payment. Your AO should carefully review the submitted voucher and return it for correction, if any portion is non-compliant for travel policy.

* In this guide, “you” are a traveler, unless otherwise stated.

DTS provides a **What's New** feature alerting you when software changes occur. After a system update, the first time you access an affected module, the **What's New** feature activates. You readily receive a series of pop-up screens annotating any revisions. Once you proceed through the overview, you must select **Got It** to close the messaging. Your personal profile tracks your acknowledgement and then the **What's New** feature inactivates. As this a one-time alert, unless there is another system change, you will not see the **What's New** alert again.

Note: Before accessing DTS you need to ensure your web browser is fully compatible with the system. Chrome, Edge, and Firefox browsers work with DTS. **Note:** Don't use Internet Explorer (IE) to access DTS.

1.1 Create a Voucher

To create a voucher, select **Create New Document**, then **Voucher** on the **DTS Dashboard** (Figure 3-1).

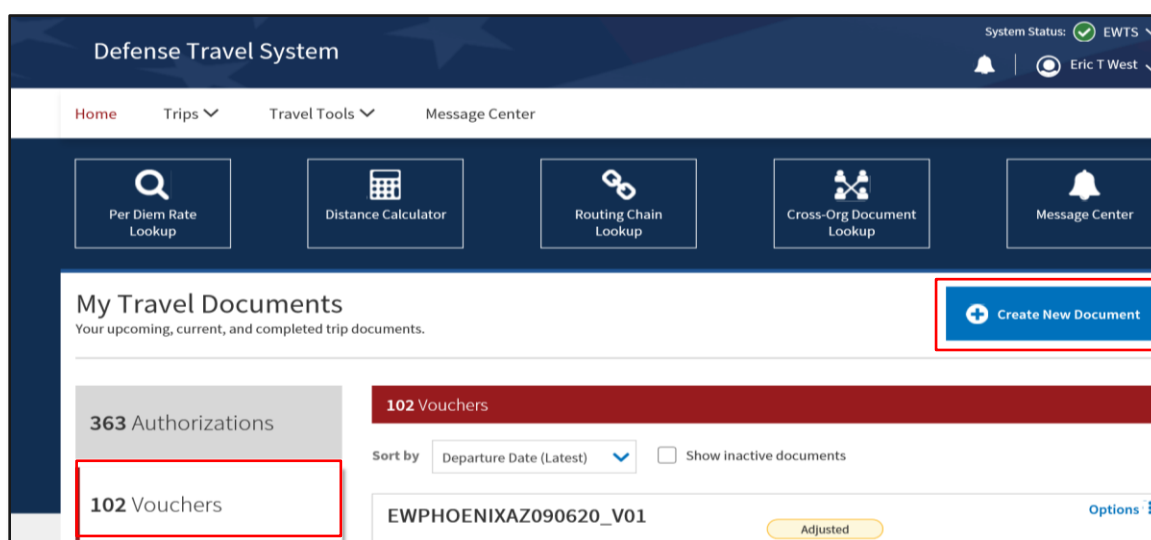

Figure 3-1: DTS Dashboard

DTS displays a list of authorizations (Figure 3-2) that allow you to create a voucher.

Figure 3-2: Create Voucher from Authorization Screen

Select **Create Voucher** next to the authorization you want to use to create the voucher. The **Review Trip Voucher** screen (Figure 3-3) opens. This screen allows you to review all the information in the voucher. From here, you can:

- Navigate to any DTS module* by selecting the **Go to <module>** links (Indicator 1) to access any module or choose an item from the **Progress Bar** in the left column (Indicator 2).
- **Add Comments** to the Approving Official regarding the trip (Indicator 3).
- Use the **Expand All / Collapse All** option to see or reduce the trip specific details (Indicator 4).
- **Print** trip data (Indicator 5)
- **Add Reference** (Indicator 6)

The screenshot displays the 'Review Trip Voucher' interface. On the left is a sidebar with a 'COLLAPSE' button at the top. The sidebar contains three main sections: 'Trip Voucher Info', 'Finances', and 'Review'. The 'Review' section is expanded, showing options like 'Review Profile', 'Review Voucher' (highlighted in red), 'Other Auths and Pre-Audits', and 'Sign and Submit'. The main content area is titled 'Review Trip Voucher' and includes a 'Print' button in the top right corner. Below the title, it shows 'Trip Details for: EWATLANTAGA042220_V01'. The details include 'Trip Type: Temporary Duty Travel (Routine) (MISSION - OPERATIONAL)', 'Trip Description: N/A', 'Dates: 04/22/2020 - 04/24/2020', 'Conference/Event Name: Not Applicable', and a 'Reference' link with an 'Add Reference' button. A 'Comments to the Approving Official' section has an 'Add Comments' button. The 'Itinerary' section is divided into 'TRIP START' (Warrenton, VA) and 'TRIP END' (Warrenton, VA), with a 'TDY LOCATION 1' (ATLANTA, GA) in between. Status indicators show 'Flight Booked', 'Rental Car Booked', and 'Lodging Booked'. Numbered callouts point to specific elements: 1 points to the 'Go to Itinerary' link, 2 points to the 'View Adjustments' link, 3 points to the 'Add Comments' button, 4 points to the 'Expand All' link, 5 points to the 'Print' button, and 6 points to the 'Add Reference' button.

Figure 3-4: Update Itinerary Screen

Once you update all the fields, select **Continue**. After you acknowledge a pop-up reminding you to verify or update your reservation costs, expenses, and per diem information, the voucher opens on the **Enter Expenses** screen.

Note: The voucher does not contain a **Reservations** module. You must make all reservation changes (e.g., costs) on the **Enter Expenses** screen (see Section 3).

Chapter 3: Update Expenses and Allowances

The **Expenses** module (Figure 3-5) initially displays all the estimated expenses and allowances the AO approved on the authorization. Since those were just estimates, you must adjust them to reflect what actually occurred on the trip. When you are done, each expense must exactly match the amount you paid and each allowance must be accurate to ensure you receive the proper reimbursement. Open the **Expenses** module by selecting **Expenses** from the **Progress Bar**.

The **Enter Expenses** screen opens (Figure 3-5) and provides a single running list of reservations and other entered expenses and allowances. You can select the **Sort By** drop-down menu (Indicator 1) to change the display options for the listing. On the screen (Figure 3-5), you can:

- Select **Add** to enter all new expenses or mileage entries (Indicator 2).
- Select **Details** to view or **Update** recorded expense information (Indicator 3).
- Select **Details** to add, browse, and upload files to expenses or **Documents** (Indicator 3).
- Select **options** (3-dot icon) to **Delete Expense** or **Duplicate Expense** (Indicator 4) for other entered expenses and mileage allowances. (Exception: See Section 4 for information about how to update lodging cost).
- Select **Add**, and then choose **Add Expense from GTCC** to import into the voucher (Indicator 2).
- **Import a PDF** to attach a file to an expense or **Documents** (Indicator 5).
- **Download all Attachments** (Indicator 6). **Note:** Icon only appears once you attach a file to an expense or **Documents**.
- Select the **Expand All / Collapse All** option (Indicator 7).
- View **Receipt** requirements (Indicator 8).

Figure 3-5: Enter Expenses Screen

The **Enter Expenses** screen communicates and executes tasks through the extensive use of icons. See Section 3.4 for an explanation of icons.

Beware of duplicate expense entries as these cause overpayments. If you are ever in doubt, check the **Review Trip Voucher** screen (Section 7.2) to see if you have over-claimed any expense or allowance.

3.1 Reservation Expenses

Based upon your actual trip cost, you will need to **Update**, **Add**, or **Delete** your reservation expenses. Be sure you attach receipts for expenses, which meet the receipt requirements. **Note:** Per policy, DTS flags receipt-required items using a triangle icon (Indicator 1). The icon changes to a paper clip once you attach the receipt.

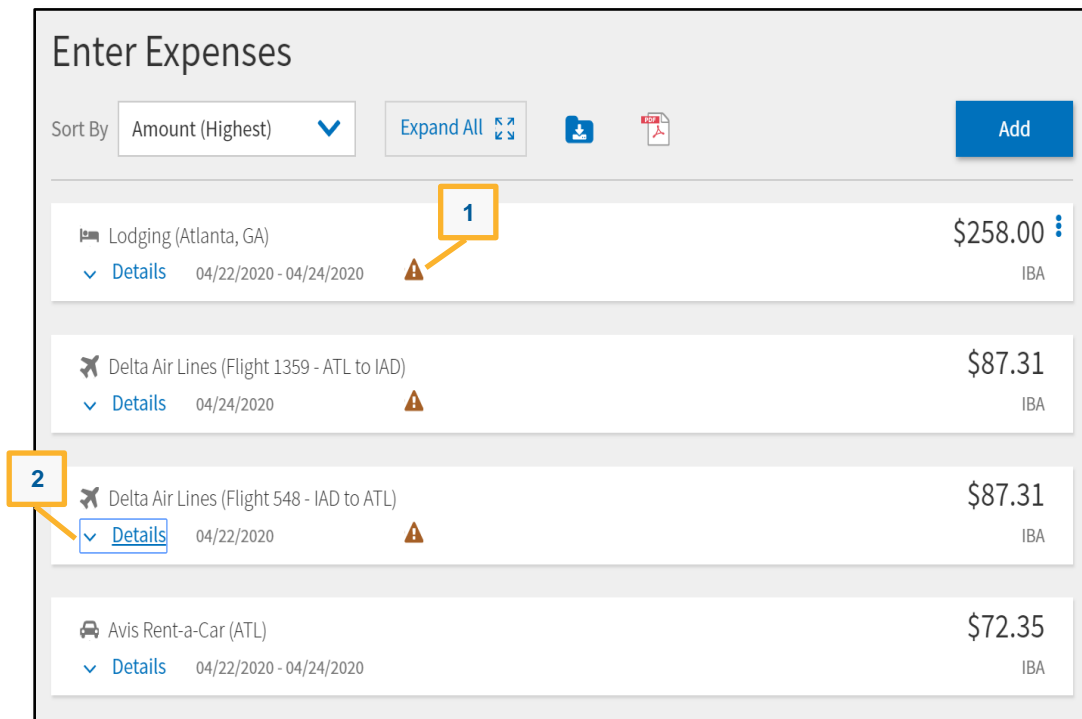

Figure 3-6: Enter Expenses Screen

- **Update** a reservation expense such as airfare, rail, or rental car to reflect actual cost.
 - Start by selecting **Details** (Figure 3-6, Indicator 2). The **Details** screen opens to **Info** (Figure 3-7, Indicator 1).
 - For flights or rail, you can change the **Ticket Number**, **Ticket Date** and cost fields. For rental car, you can change the **Expense Date** and **Expense Amount** fields. **Note:** Typically, you need to update the rental car cost on the voucher, as the vendor applies the final fees when you turn-in the vehicle.
 - (Optional) Select **Notes** to add comments.
 - Select **Update** to save the change. The **Enter Expenses** screen updates reflecting the change.
- **Attach** a receipt to an entered expense.
 - Start by selecting **Details**. The window opens (Figure 3-7). On the right side of the reservation expense entry, you can **browse**, **Drag And Drop**, or select the + sign to add a receipt (Figure 3-7, Indicator 2). Regardless of which method you use to include a receipt, once you select it, the **Attach Document** window displays (Figure 3-8). It identifies the document you have chosen.

 - Select **Delete**. DTS removes the expense.

Key Note: DTS provides a lodging entry under **Enter Expenses** with a calendar feature to view the daily per diem for the TDY location (Figure 3-6). You can attach your lodging receipt to this lodging entry. However, you *must* change lodging cost, account for leave and meals through the **Per Diem** module (Section 4). You can use the lodging entry **options** (3-dots icon) for quick access to the **Per Diem** module or select **Per Diem** directly from the **Progress Bar**.

3.2 Other Expenses

Based upon your trip cost, you may need to **Update**, **Add**, or **Delete** other expenses or allowance entries. If you have a reoccurring item, you can use the **Duplicate Expenses** feature to add the same expense quickly. Be sure you carefully review the listing and claim only your actual expenses.

Even though you estimated your trip cost on the authorization, there still may be expenses incurred for the trip (e.g., baggage fees) which you need to add to your voucher. On the **Enter Expenses** screen, there is a single entry point to **Add** expenses (Figure 3-14).

Figure 3-14: Enter Expenses – Add

DTS provides six **Expense** categories containing many **Expense** types from which you can choose (see Table 3-2).

Key Note: If the **Expense** table does not include an allowable incurred expense, contact your DTA or AO (see your local business rules) for guidance on entering the expense in DTS.

Example: A traveler is overseas on official travel using the Government Travel Charge Card (GTCC) and incurs a *Cross Border Processing Fee*. In DTS, an option could be to use the **Foreign Currency Conv Fees** expense type to record the cost and add notes to the expense for the AO to review.

Key Note: If you made lodging reservations using DTS or even reservations made outside the system, you may attach your lodging receipt to the lodging entry, which identifies the daily per diem for your TDY location. However, you do not manually enter the lodging cost under **Enter Expenses** when TDY to a single location. Double entry for lodging will cause an overpayment. Update your lodging cost for your trip in the **Per Diem** module (see Section 4).

3.3 Attaching Files and Substantiating Documents

The **Enter Expenses** screen allows you to attach documents that support your travel claim. Types of documents, which you may need to include in the voucher:

- Approval for Travel Memo
- *Constructed Travel Worksheet (CTW)
- Approval for other than economy/coach class travel
- Leave form
- **DD Form 1351-2 (for Non-DTS Entry Agents)

You can attach files to your expenses or **Documents** by using the **Details** or **Import a PDF** feature. DTS converts PDF documents to images during upload and **Drag And Drop** processes to improve the file quality; however, you can still select to upload a PDF version for signed memorandums.

***Key Note 1:** Certain expense selections such as **Mileage, Private Auto – To/From TDY** requires you to complete a **Constructed Travel Worksheet (CTW)**. A message appears if the expense warrants the CTW. Available on the DTMO website is the information paper, [Introduction to Constructed Travel](#) which provides some constructed travel examples.

You can access a CTW in a document by navigating to the **Other Auths and Pre Audits** screen and select the **Constructed Travel Worksheet** link when an expense warrants one. You can also obtain worksheets from the [Constructed Travel Worksheet \(CTW\) Home](#) page. Available are the **Pre-Travel Worksheet (PDF)** for an authorization and **Post-Travel Worksheet (PDF)** for a voucher with an accompanying guide for each worksheet.

- Be sure to use Chrome, Edge, or Firefox browser. **Note:** Do not use Internet Explorer (IE) browser.
- Save the file to a folder.
- From the saved folder location open the document.

Note: If you try to download the worksheet and open it using Chrome without saving it first, you may receive a “Please wait” message that does not resolve. This situation is specific to the Chrome browser and not a problem with the actual CTW file. **To resolve:** Save and open the file from the saved folder location.

Individuals CT links are:

- <https://media.defense.gov/2022/Jun/01/2003009902/-1/-1/0/PRE-TRAVEL-WORKSHEET-GUIDE.PDF>

****Key Note 2:** DTS requires an attached DD 1351-2 be included in the voucher before the Non-DTS Entry Agent (NDEA) can stamp the voucher T-Entered. If the NDEA applies the T-Entered stamp without an attached DD 1351-2, an **AUDIT FAIL** occurs during the signing process, causing a hard stop. The NDEA must return to the **Enter Expenses** screen and **Add** the required record.

- Attach a receipt to an entered expense.
 - Start by selecting **Details** (Indicator 1). The window opens (Figure 3-26). On the right side of the entry, you can **browse**, **Drag And Drop**, or select the + sign to add a receipt (Indicator 2).

Underneath the input field is a checkbox labeled "Retain as PDF (e.g., CTW, Digitally Signed PDFs)" with an information icon (i) to its right. At the bottom of the dialog, there are two buttons: a light blue "Close" button and a blue "Attach" button, which is highlighted with a red rectangular border.

Chapter 4: Update Per Diem Information

The **Review Per Diem Amounts** screen (Figure 3-41) identifies the per diem allowances (daily lodging limits and Meals & Incidental Expenses [M&IE]) that the AO approved in your authorization. Select **Per Diem** from the **Progress Bar** to access the **Review Per Diem Amounts** page to make allowance changes. **Note:** On the **Enter Expenses** screen, you can select the **Lodging** quick access option to **Edit Per Diem** (Figure 3-40).

Figure 3-40: Lodging Option - Edit Per Diem

The screenshot shows the 'Review Per Diem Amounts' screen. It includes a 'Reset all adjustments' link and an 'Adjust Per Diem Amounts' button. Below is a table for 'TDY: ATLANTA, GA (3 days)' with columns for DATE, LODGING COST, LODGING ALLOWED, and M&IE ALLOWED. A summary section at the bottom shows 'PER DIEM SUMMARY' with 'Total Lodging Cost' of \$258.00, 'Total Lodging Allowed' of \$258.00, and 'Total M&IE Allowed' of \$165.00. Navigation buttons '< Back' and 'Continue >' are at the bottom right.

Figure 3-41: Per Diem Entitlements Screen

Available options for changing, adding, and deleting situations that modify your per diem allowances and the explanations of those options are the same on the voucher as they were on the authorization.

1. Select **Adjust Per Diem Amounts**. The **Adjust Per Diem Amounts** screen displays.
2. Select the date range, then enter the updated information in the following sections:
 - **Meals**
 - **Duty Conditions**
 - **Other Entitlements**
 - **Lodging Cost**

3. Select **Save Adjustments**.

If several changes affect your per diem conditions, it may be easiest to use the **Reset** link to remove all of a day's manually entered allowance changes. The **Reset** link returns all options on the selected day to their initial default settings. You can then enter all necessary changes before saving them.

Chapter 5: Update Accounting Information

The **Accounting** module only contains the **Accounting** screen (Figure 3-42). You can use it to update incorrect Lines of Accounting (LOAs) that appear on your document.

5.1 Update LOAs

Open the **Accounting** module from the **Progress Bar**. As was true on the authorization, you should only make changes to this screen, if your organization allows you to do so.

Review Accounting

Add and allocate lines of accounting, request advances, and manage scheduled partial payments (SPP) for trips lasting more than 45 days.

ACCOUNTING CODES

Lines of Accounting (LOA) are used to identify the source of funds for travel. If using more than one LOA, you will be required to allocate them.

- **Delete a LOA:** Select the three vertical dots icon and then select **Remove** to delete an invalid LOA.

Note: If you require multiple LOAs to process the payment of your voucher, you must allocate your expenses as described in [DTS Guide 2: Authorizations](#).

5.2 Review SPPs, Advances, and Accounting Summary

The **Finance** screen shows summaries of any **Partial Payments** and **Advances** that you received. At the bottom of the screen, the **Accounting Summary** provides financial information about your trip. None of these items offers any opportunity for you to make changes.

Figure 3-43: Review Financial Summary Screen

It consists of four sections, only one of which allows you to make updates.

- **Expense Summary:** Provides the total of all expenses on the voucher and divides them into reimbursable expenses and non-reimbursable expenses. Non-reimbursable expenses generally include expenses paid by the Government (e.g., items charged to a CBA).
- **Disbursement Summary:** Shows the total of all payments you have received or ones in process and breaks them down by advances, partial payments, and payments made against previous filed vouchers.
- **Credit Summary:** Supplies information about debts – the total reimbursement you are due to receive, any amount you were overpaid, and any collections or waivers used to help pay off the debt.

- **Entitlement Summary:** This section shows the split disbursement amounts DTS calculated based on your trip entries. The categorized amounts and totals in this section show past and future payments to your bank account (**Personal**) and to (**GTCC**). To change the currently listed split disbursement amounts, select **Adjust Disbursements**. The **Adjust Disbursements** screen (Figure 3-44) opens.

Figure 3-44: Adjust Disbursements Screen

Use the fields at the top of the screen to adjust the split disbursement amounts. The distribution amounts in the yellow border automatically adjust as you make changes in the following three areas:

- **Overpaid GTCC:** If you overpaid your GTCC account, enter the amount of the overpayment. DTS redirects that amount to your personal bank account to balance the overpayment.
- **GTCC ATM Withdrawal:** If you used a GTCC to withdraw cash from an ATM, enter the total amount you withdrew (not the ATM fee). DTS redirects funds to the GTCC vendor to repay that amount.
- **Additional Payment Paid to GTCC:** If you paid any legitimate expenses with your GTCC that you cannot account for in the voucher (such as a meals), enter the total amount here. DTS redirects funds to the GTCC vendor to repay that amount.

Once all expenses you charged to your GTCC hit your GTCC account, ensure the total listed as the net distribution to GTCC matches the amount the GTCC vendor says you owe for this trip. Paying the correct amount to the GTCC vendor helps prevent payment delinquencies in your charge card account.

Chapter 7: Review Module

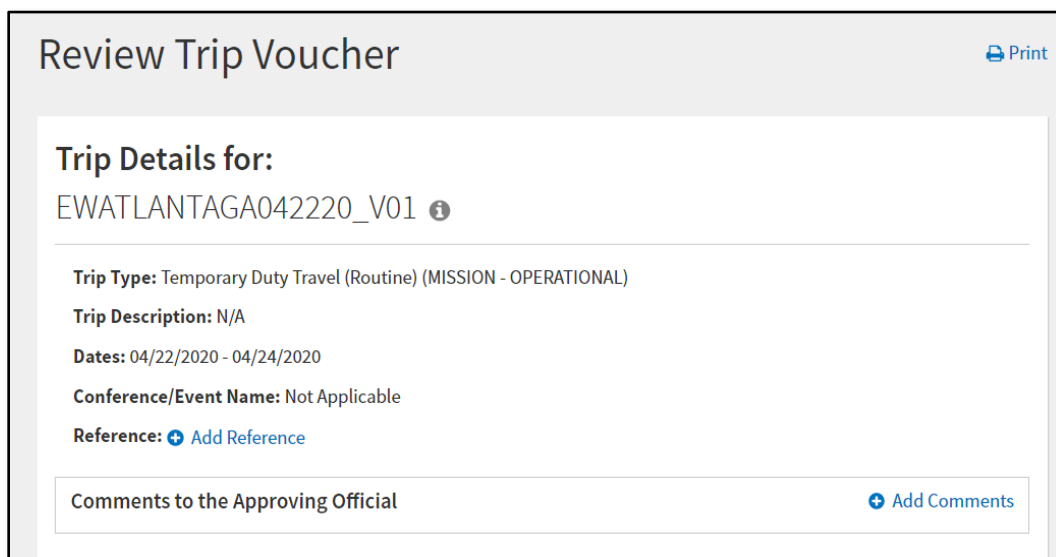

The **Review** module contains the same screens as the authorization. Select **Review Voucher** to open the **Review Trip Voucher** screen.

7.1 Update Profile Screen

Update your profile on the voucher following the same steps described in [DTS Guide 2: Authorizations](#).

7.2 Review Trip Voucher Screen

The **Review Trip Voucher** screen is a long screen displaying all the data in your voucher (Figures 3-45a, b, and c). You should carefully check for errors before you sign the voucher. The **Go to <module>** links appear in key locations of the **Review Trip Voucher** screen, so you can modify any entries that are incorrect. After you complete the review, select **Continue** to proceed.

The screenshot displays the 'Review Trip Voucher' interface. At the top, the title 'Review Trip Voucher' is on the left, and a 'Print' icon is on the right. Below the title, the section 'Trip Details for:' is followed by the voucher ID 'EWATLANTAGA042220_V01' and an information icon. A horizontal line separates the details from the trip information. The details listed are: 'Trip Type: Temporary Duty Travel (Routine) (MISSION - OPERATIONAL)', 'Trip Description: N/A', 'Dates: 04/22/2020 - 04/24/2020', and 'Conference/Event Name: Not Applicable'. Below these is a 'Reference:' label with a plus icon and a link 'Add Reference'. At the bottom, there is a text input area for 'Comments to the Approving Official' and a plus icon with a link 'Add Comments'.

7.3 Other Auths and Pre Audits Screen

Note: You can access the remaining screens at any time; however, before DTS will let you sign the voucher, you must visit the following screens in the order listed:

1. Other Auths and Pre Audits
2. Digital Signature

If you don't open those screens in the correct order, DTS sends you back to the **Other Auths and Pre Audits** screen to try again.

Three items appear on the **Other Auths and Pre Audits** screen (Figure 3-46):

1. **Other Authorizations** show official remarks added to a travel document. Since you rarely need printed travel documents after the trip, you almost never have to make changes in this section. However, you can make changes if necessary, using the same processes you used to make the entries in the authorization.
2. Pre-Audit displays items that DTS has flagged because they exceed established cost thresholds or may be outside of DoD travel policy. DTS copied them – along with their Reason Codes and justifications – from the authorization. It also added new items you triggered by making changes on the voucher, such as changing split disbursement amounts. You must provide appropriate justifications for all new-flagged items before the AO may approve the voucher.

3. **ADVISORIES** point out items that changed (e.g., personal profile) and items you may have forgotten (e.g., **Rental Car – Fuel**). Note: Many **ADVISORIES** are information only.

CONFIRM SUBMISSION

This trip record is accurate and represents a legal claim for reimbursement. I understand there are severe criminal and civil penalties for knowingly submitting a false, fictitious or fraudulent claim (18 USC Sections 287 and 1001, and 31 USC Section 3729).

Unused tickets have a monetary value and belong to the US Government. All unused tickets must be reported and returned to the TMC as soon as possible for the applicable credit. Instructions can be found on the [DTMO website](#).

- You understand that you must return any unused paper tickets to the Government.

After you select **Confirm and Continue**, DTS acknowledges a successful submission and begins the routing process (Figure 3-51). You should receive payment for your claim within 72 hours of the time the AO approves it.
